FILE HEADING.

A Revised Scale of Fees for X-Ray Photos

FROM The Durbar Surgeon and Medical Officer, KR Hospital Mysore

No. 44 Dated 19-2-31 Received 23-2-31

Diary No.	Enclos.	Spare copies	Serial No.

BRIEF ABSTRACT OF LETTER.

States that the present uniform fee of Rs 10/- for any film or series of films is unreasonable and submits that the scale may be revised

NOTES AND ORDERS.

Subd. G.O. dated 8-4-05 authorized the levy of a fee of Rs 10/- for the use of X-Ray apparatus ~~for photo~~ at Victoria Hospital for photographing patients and this uniform rate was recently allowed to continue for X-Ray photos taken at the PK Sanatarium in

NOTES—First Sheet.

print

2 The proposal of the D.Surgeon to establish a revised scale of fees fixed with due regard to the size and importance of the films taken is for consideration. There is the danger that in some cases X-Ray facilities may not be availed of to the extent desirable on account of prohibitive rates. Perhaps the views of the S.Surgeon may be ascertained.

~~The suggestion of division of X-Ray fees collected~~

3 The suggestion to divide the collections from X-Ray fees in the manner indicated viz. 75% to the X-Ray Fund and 25% to the operators is for orders. Kind reference is invited to G.O. dated 8-4-05 under which the collections were credited to the Poor Fund of the Victoria Hospital.

MR WP 9B

4. The Bombay Surgeon's proposal is perhaps for his Hospital only

5 The existing rules sanctioned in the G.O. of 1905 are in force in all the Hosps which have X-Ray outfit.

7 The existing rules are very old. Considering the fact that a more modern and up-to-date equipment has been installed in the Krishnarajendra Hospital recently, and a similar one is going to be installed in the Victoria Hospital in the near future, it seems to be necessary to revise the rules laid down so long ago as 1905.

8 I suggest the following scale of fees to be levied in the Krishnarajendra and Victoria Hospitals and the Sanatorium, where there are X-Ray Installations. This scale should be made applicable in the case of individuals whose income is above 50 rupees per month, as in the case of charges levied for work in the Pathology Laboratories, etc., (Vide G.O. No. L.4198-9 Med. 29-22-6, dated 4th December 1923) It may be argued that in the case of Government servants their incomes are known, but that it is often very difficult to rely on statements made by private individuals regarding their income. In all cases of doubt the Medical Officer should be given the descretion to say whether any fee should be levied or not; and as a rule his decision should be final.

These fees should be levied on both in-patients and out-patients.

I

	Rs.	As.	P.
1. Fluoroscopy (screening without a radiogram being taken.)	1	-	-
2. Fluoroscopy with Barium meal (No radiogram being taken)	5	-	-
3. For taking a radiogram of any part.			
(i) size of film not more than 10"x8"	5	-	-
(ii) Do. films larger than 10"x 8"	10	-	-
4. Radiogram of gall-bladder or kidney	10	-	-
5. Extra charge for furnishing a single radiogram or a print thereof to a patient for his own use, to be taken out of the Hospital.	2	-	-

NOTE—Contn. Sheet.

WD 02553—GPB—50,000—8-7-30

N.B. The descretion to give the radiogram itself or a print thereof should vest with the Medical Officer.

6. Dental Radiograms:-

(i) Single film	Rs.2 - -
(ii) Whole set	10 - -
(iii) Extra for furnishing a film or copy.	1 - -

7. X-Ray treatment per Seance. 0-8-0

Twenty per cent of the fees collected as above may be made payable to the Officer in charge of the X.Ray Department, and the remaining eighty per cent should be credited under Hospital receipts.

I have personally discussed the matter with Dr. Robinson and he is agreeable to the modifications I have suggested above.

S. Subba Rao.
Senior Surgeon.

Submitted for orders.

26/3 Do not the Officer in charge of the X-Ray Dept: getting any allowance for the work? If so, what?

Sub. no. Only a Sub Asst in other Hospitals gets Rs 15/- as X-ray allce

26/3

8. Electro Cardiograms Rs or Photographs of Curves representing Heart Beats

General and Revenue Secretariat | File No. | of 193

Serial No.

11 The G.O. of 1905* fixed a fee of Rs 10/- for the use of the X-Ray apparatus in the Victoria Hospl. It also stated that the collections so made shd be credited to the "Poor Fund" of that Hospl.

But in the rules issued in 1924* for regulating the admn of the Poor Fund of both the Vict: Hospl: & the R.R. Hospl no mention is made of the receipts on accoun of the use of the X-Ray apparatus. To what head are they now credited?

DD 30/3.

12

Subn. It is ascertained from the S.S's office (by phone) that the collections from x-Ray fees of the Victoria Hospital are from the beginning credited to 'Miscellaneous 17. Medical'.

MR WR 1/4/31

13 There are two points for orders:-

(1) Scale of fees (revised) for both in- and out-patients

(2) Payment of 20% of the collections to the officer in charge of the X-Ray Dept: and crediting the rest to "Hospl: Receipts".

(1) The scale proposed by the S.S. in consultation with Dr Robinson may perhaps be approved.

NOTE—Contn. Sheet.

WD 02553—G PB—50,000—8 7 30

In regard to (2) while Dr. Robinson suggested that a definite percentage of the collections may be paid to the X-Ray operators, the S.S. says that 20% may be paid to the officer in charge of the Deptt: It is not clear if the S.S. also means the X-Ray operator. If so, it has to be pointed out that a S.A.S. is looking after the X-Ray work in each of the 3 institutions named, for which he gets an X-Ray allowance of Rs 15 p.m. Whether he should be paid in addn to this, 20% of the collections may be considered.

The proposal to credit the receipts to the head "Hospl: receipts" may be appd.

For orders.

Krishnarajendra Hospital,
Mysore. 19th February, 31.

med 232-30-1

From

Dr. J.F. Robinson, B.A., M.D., F.R.C.S.,
Durbar Surgeon & Medical Officer,
Krishnarajendra Hospital, MYSORE

GENERAL MISCELLANEOUS 5447 23 FEB

RECEIVED 27 FEB 1931

To

The Chief Secretary with the Govt.,
of H.H. the Maharaja of Mysore,
BANGALORE

Sir,

I have the honour to state that it seems desirable to establish a scale of charges for X-Ray work. At present a charge of only Rs. 10/- is made for any film or series of films.

This is unreasonable. For instance, a series of barium meal Exposure which may comprise six large films can only be charged for, according to the present G.O. on the matter at a rate of Rs.10/- for the total. Agai the charge is Rs.10/- for a small dental film of single tooth or of the bone at the tip of a finger or for a whole set of teeth.

I would propose the following scale:- (including paying in-patients)

1.	Fluoroscopy of bones (foreign bodies etc)	Rs.5/-
2.	Barium meal fluoroscopy	Rs.15/-
3.	Filiming of barium meal series (4)	" 30/-
4.	Fluoroscopy of lungs (bladder etc)	" 5/-
5.	Steroacopic films of lungs, kidneys, foreign bodies, hip, bones etc.	" 15/- to 2 according to siz of films.
6.	Radiogram of any part on regular film.	" 10/-
7.	Special work, Uroselectin tests of kidneys; pyelogram, visualization of gall-bladder etc.	" * 15/- to 3
	(* according to size and number of films and cost of special sizes)	
8.	Single denatl film exposure	" 5/-
9.	Whole set of dental film exposures.	" 10/- to 1
10.	Mediolegal radiograms (2 to 3 films)	" 20/-

In view of the facilities afforded by the new out-fit and the expensiveness of the same, these charges are not too high and are far lower

11 Electro Cardiograms or Photographs of Curves representing heart beats Rs 10/-

P.T.O.

lower than in any other institution in India.

I would also suggest that as in other departments some division of fees be arranged to afford the X-Ray operators a percentage-say 75% to the X-Ray fund and 25% to the operators.

I have the honour to be,

Sir,

Your most obedient servant,

J.P. Robinson

Durbar Surgeon & Medical Officer.

Telegrams:—
SENORGEN.

DEAR From

S.Subba Rao.Esqr., B.A., M.B.C.M., M.R.C.S., L.R.C.P.
Senior Surgeon with the Government of Mysore

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore

Sir,

In continuation of my unofficial note No.G.C.271-1 dated the 21st March 1931. suggesting a scale of fees to be levied in the Krishnarajendra and the Victoria Hospitals and the Sanatorium for radiograms etc., I have the honor to state that electro-cardiograms or photographs of curves representing heart-beats were inadvertantly omitted. A cardiograph or instrument to record heart-beats has been installed in the Victoria and the Krishna rajendra Hospitals. The instrument is expensive and its working demands great skill. A fee of Rs 10 as in the case of radiograms should therefore be imposed. Persons whose income is Rs 50 or below ~~are~~ will be charged nothing, provided that the cardiograms are taken under the orders of the Medical Officer or Physician. In other cases,- that is- when a person independently applies for a cardiogram or when a private medical practitioner wants it for his patient as an aid to diagnosis, the prescribed fee will be payable irrespective of the monthly income.

I have the honor to be,

Sir,

Your most obedient servant,

S. Subba Rao

Senior Surgeon

SECY. 27 APR. 1931

Please send this in the G.O. & put up with the main file.

Proceedings of the Government of
His Highness the Maharaja of Mysore.

-----:0:-----

R e a d :-

Government Order No. G. 9273-4/Medl. 165-04-4 dated the 8th April 1905, sanctioning the levy of a fee of Rs. 10/- for the use of the X-Ray apparatus in the Victoria Hospital, Bangalore.

2. Government Order No. G. 20997-8/Medl. 99-18-2 dated the 21st March 1919 directing the levy of similar fees at the Sri Krishnarajendra Hospital, Mysore.

3. Government Order No. G. 7936-7/Medl. 132-28-2 dated the 2nd January 1929, directing that the rules for the levy of fees for X-Ray work obtaining in the Victoria and Sri Krishnarajendra Hospitals be extended to the Princess Krishnajammanni Tuberculosis Sanatorium at Mysore.

4. Letter No. 44 dated the 19th February 1931 from the Durbar Surgeon and Medical Officer, Sri Krishnarajendra Hospital, Mysore, proposing for sanction of Government the levy of a revised scale of fees for the several items of X-Ray work done at the Hospitals.

5. Correspondence ending with Unofficial Note No. G.C. 271-1 dated the 27th April 1931 from the Senior Surgeon in Mysore on the subje

Order thereon No. G. 314-6
Dated, Bangalore, 10th July 1931.

The Senior Surgeon has reported that the

the existing rules were framed over 20 years ago and that in view of the fact that an up-to-date equipment has been installed in the Sri Krishnarajendra Hospital and a similar one is going to be installed in the Victoria Hospital in the near future, it is necessary to revise the scales.

3. The matter was considered by the Standing Committee for the Department of Sanitation, Public Health and Medicine, and they are of opinion that fees may be levied as shown in the statement attached to this order. Government are pleased to approve of these rates with effect from the 15th July 1931.

The Scheme will be tried for a period of one year in the first instance at the end of which the Senior Surgeon is requested to submit a report on its working for the consideration of the Committee. The fees are leviable in the case of all individuals whose income is above Rs. 50/- per month. In cases of doubt regarding the income of private individuals, the Medical Officer will have the discretion to decide whether any fee should be levied or not, and his decision shall be final.

The entire amount of the fees realised should be credited to " Hospital Receipts ".

3/7/31.

General Secretary to Government.
